**Exodus 15:22-26**  
**Dr. Buddy Perstroppe, Senior Pastor**

God shares His name and shows His care in our trials.

**1. When we are tested we need to remember God's faithfulness**

The Red Sea reminds of God's power to:

- A. Deliver His people
- B. Defeat His enemies

**2. When we are tested we need to recognize God's control**

- A. The response of the people: complain (v. 24)
- B. The response of Moses: pray and obey (v. 25)
- C. The response of God: promise (v. 26)

**3. When we are tested we need to rely on God's name**

God reveals His name, so we will rely on His name! (26b-27)
