Three major questions of life:

Who will be my Master?

What will be my mission?

Who will be my mate?

1. Marriage is God's idea

A. Revelation: Man has a need

B. Solution: Woman

C. Intention: Intimacy

- Leave
- Cleave
- Weave

2. Marriage is a covenant, not a contract (Proverbs 2:16-17 Malachi 2:14-15)

3. Marriage is created with a purpose

A. Intimate companionship (Genesis 2)

B. Environment for spiritual growth (Ephesians 5:22-6:4)

C. Family (Malachi 2:15)
