

## **REMEMBERING FREEDOM IN CHRIST**

John 8:31-36

Jerry Dudley, Associate Pastor

Memorial day is about remembering the freedom we have today because of the sacrifice someone else made yesterday.

1. In America we have freedom because of the law; in Christ we have freedom in spite of the law
2. In America we have freedom because of man's deed; in Christ we have freedom in spite of man's deeds
3. In America men have paid a high price for freedom; in Christ man pays nothing despite it's great cost
4. In America we have a symbol of our freedom; in Christ we have a Savior who provided our freedom
