

SALT OF THE EARTH

Matthew 5:13

Dr. Buddy Perstroppe, Senior Pastor

1. The word of witness: You are the salt of the earth

A. Our responsibility as salt

- Add flavor
- Preserve
- Cause thirst

B. The responses to salt

Some people will express:

- Appreciation
- Irritation

2. The word of warning: Salt can lose its taste

Two hindrances of salt:

- A. Salt that stays in the shaker
- B. Salt that gets polluted with other substances

3. The word of waste: Salt can be made useless

As believers:

- A. We will never lose our salvation
- B. We can lose our Godly influence
